The screenshot shows the 'Create new event' form. At the top, there are 'Continue' and 'Cancel' buttons. Below them, a red box highlights a privacy notice: 'You are creating a new event, to which sailors have the possibility to register themselves. Please note that you have, as Data Controller, to comply with the General Data Protection Regulation. We only will use the data in the context and of the purpose linked to event mentioned in the m2s database, i.e. in order to process the registration of sailors to an event and to train the sailors.' Below the notice, the form has two fields: 'Name *' with a placeholder 'Name is required' and 'Club *' with a dropdown menu showing 'Yacht Club Monaco'. A 'Continue' button is at the bottom of the form. A red arrow points from the privacy notice to the third bullet point in the list. The footer contains links for 'Imprint', 'Terms and Conditions', 'Privacy Notice', and 'Help and Support'.
