SailorApp -- The best way to use it

Hearing requests "online" (SailorAapp)

No difference between the “oldfashioned” paper-based procedure and the modern electronic procedure.

"Paper-based procedure"

- A boat fills out a form and delivers it to the race office.
- The race office writes down the date and time the document was submitted.

"Electronic procedure"

- A boat fills out an electronic form and saves it to the system.
- The system registers the document with a "Time Stamp".

SailorApp -- Workflow in 3 clics

- 1) Connect yourself to the online server

<https://juryterminal.manage2sail.com/account/login?lang=fr-FR>

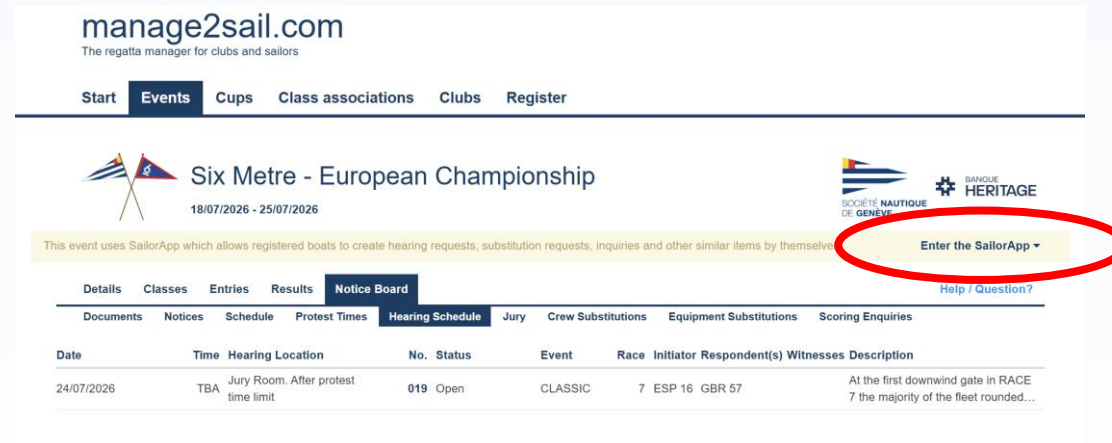

- 2) Enter your "Username" and "Password"

- 1) "Username" = your sail number (i.e. SUI 1234)
- 2) "Password" = the password you used to register your boat for this event

- 3) Choose your form → Fill it in → Click on **<Send>** to submit your request

SailorApp -- Workflow

In case you do not remember your password, you may find it back here:

Link : <https://juryterminal.manage2sail.com> ?

As soon as you are in, you should see a page like this :

The screenshot shows the manage2SAIL login page. It features the manage2SAIL logo at the top. Below the logo, there is a message: 'Dear Sailor, please Log in using the credentials that have been assigned to you by the event organiser'. There are two input fields: 'Sail Number' with the value 'SUI 1234' and 'Password' with a masked value '.....'. A blue 'Sign in' button is located below the password field. At the bottom, there is a note: 'Credentials can be found on Manage2Sail Portal under the account of the person who registered you (yourself, coach, parent, federation)'.

By the end of the process, you will receive an e-mail that confirms your request has been submitted and registered.
